The University of Alabama School of Social Work
Certification of Clearance to Register
(The student must ensure that the Social Work Registrar gets the original of this form. Copies may be used, but each semester there must be original signatures.)

UA Student Honor Code

All students in attendance at The University of Alabama are expected to be honorable and observe standards of conduct appropriate to a community of scholars. The University of Alabama expects from its students a higher standard of conduct than the minimum required to avoid discipline. At the beginning of each semester and on tests and projects, at the discretion of the course instructor, each student will be expected to sign an Honor Pledge.

The Academic Honor Pledge Reads As Follows:
I promise or affirm that I will not at any time be involved with cheating, plagiarism, fabrication, or misrepresentation while enrolled as a student at The University of Alabama. I have read the Academic Honor Code, which explains disciplinary procedures that will result from the aforementioned. I understand that violation of this code will result in penalties as severe as indefinite suspension from the University.

The following signatures signify that the student (a) understands and agrees to abide by the honor code and (b) has been advised regarding registration for the upcoming semester(s). This form must be signed each spring before the student is cleared for interim, summer, and/or fall and each fall before the student is cleared for spring.
