1. Third party reports can also be submitted by calling the DYS PREA Hotline at 1-855-332-1594.
2. Third parties, including fellow youth, staff members, family members, attorneys, and outside advocates, are permitted to assist youth in filing requests for administrative remedies relating to allegations of sexual abuse, and may file such requests on behalf of youth.
3. If a third party, other than a parent or legal guardian, files such a request on behalf of a youth, WOW administration may request as a condition of processing the report that the alleged victim agree to have the request filed on her behalf. Additionally, it may be requested that the alleged victim personally pursue any subsequent steps in the administrative remedy process.
4. If the youth declines to have the request processed on her behalf, the WOW administration will document the youth's decision. However, should the youth decline, this decision does not close the investigation and the program administrative investigation protocol may proceed.
5. A parent or legal guardian of a youth shall be allowed to file a grievance regarding allegations of sexual abuse, including appeals, on behalf of youth. Such a grievance shall not be conditioned upon the youth agreeing to have the request filed on her behalf.
6. All suspected and substantiated criminal behavior will be referred to the appropriate law enforcement agency and DHR.
