Tell me about yourself.

What skills and abilities do you bring to this job?

What qualifications do you have for this job?

What are your strengths?

What is your weakness?

How do you think your education and work experiences have prepared you for this job?

Describe a good supervisor. Be specific.

Describe a time when you self-motivated yourself to complete a task.

Describe 3 major accomplishments in your present job.

Give me 3 adjectives that describe you. Why?

Tell me about a problem you have solved in your present job.

How would your supervisor describe you?

Can you work independently? In a group setting?

What 2-3 things are important to you in your job?

What are your short-range/long-range goals?

What do you see yourself doing in 3-5 years?

Why should we hire you?

Why do you want to work here?

Do you have any questions for me?
