Electronic Publishing and Distribution Selections

I agree that the above mentioned document be placed in the UA ETD digital library with the following status: (choose either A or B)

A: I choose to make my entire work immediately available open access (i.e. available to anyone via the Internet) through the UA Libraries.

OR

B: I wish to block access to the entire work both on UA campus and worldwide to protect the work for patent and/or proprietary purposes for the period indicated below.

If you choose option B please also select one of the following:

C1: I request that UA embargo (block) access to the electronic full text of my thesis or dissertation through Proquest/UMI and UA Libraries for six (6) months from the date my manuscript is approved by the Graduate School.

C2: I request that UA embargo (block) access to the electronic full text of my thesis or dissertation through Proquest/UMI and UA Libraries for one (1) year from the date my manuscript is approved by the Graduate School.

C3: I request that UA embargo (block) access to the electronic full text of my thesis or dissertation through Proquest/UMI and UA Libraries for two (2) years from the date my manuscript is approved by the Graduate School.

C4: I request that UA embargo (block) access to the electronic full text of my thesis or dissertation through Proquest/UMI and UA Libraries for five (5) years from the date my manuscript is approved by the Graduate School. After the designated time, the entire work will be released worldwide.

I understand that any embargo is at my discretion as the copyright holder and that I may request that UA lift this embargo at any time. I agree to hold UA harmless in the inadvertent release of restricted material.

I acknowledge that I have reviewed the options for making my thesis or dissertation publicly available through Proquest/UMI and UA Libraries and that I have discussed these options with my advisor.

I confirm that:

- The final ETD I am submitting to the Graduate School is the version of my thesis or dissertation that was approved by my advisory committee.
- If appropriate and applicable, I have obtained and submitted written permission statements from the owner(s) of each third party copyrighted item included in my thesis or dissertation. Such third-party owned material is clearly identified and acknowledged within the text.
- If my research involved the use of human or animal subjects, a copy of the appropriate current IRB and/or IACUC approval appears in an appendix.
- I grant to UA and its agents the non-exclusive license to archive and make accessible, under the conditions specified above, my thesis or dissertation in whole or in part in all forms of media, now or hereafter known. I retain all ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works all or part of this thesis or dissertation.
