This Agreement is entered into by and between THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ALABAMA, a public corporation of the State of Alabama, by and on behalf of its member institution, The UNIVERSITY OF ALABAMA, and specifically its School of Social Work (hereinafter referred to as "University"), and \_\_\_\_\_ ("Agency").

WITNESSETH:

WHEREAS, the University's School of Social Work is engaged in the higher education and training of social work students seeking their BSW or MSW (hereinafter referred to individually as "Student" and collectively as "Students") and utilizes community facilities to provide clinical experience for such Students; and

WHEREAS, Agency has available facilities well suited for providing clinical training and experience for Students; and

WHEREAS, the parties desire a cooperative relationship that will promote the education of Students by allowing them to gain practical experience;

NOW, THEREFORE, University and Agency, in consideration of the mutual benefits to be attained by both and the mutual promises herein, do hereby agree each with the other to participate in a cooperative program of instruction ("Program") whereby the Agency will accept Social Work Students from the University for supervised learning experiences in the treatment of Agency's clients as follows:

### 1. Mutual Responsibilities:

- 1.1 **Designated Personnel.** University and Agency will designate and submit to the other the name of the person to be responsible for coordination of the clinical experiences on its behalf and will notify the other of any change or proposed change in such designated personnel.
- 1.2 **Agreement on Program Details.** Prior to the commencement of the program, University and Agency shall mutually arrange and agree upon the number of Students to be assigned to the program, their schedules, the learning resources to be utilized, the dates of clinical experiences and any health requirements
- 1.3 **Information on Students.** Prior to the commencement date of the program, University shall provide to Agency the name of each participating Student and any additional information reasonably required by Agency.
- 1.4 **Confidentiality of Student Information.** University agrees that for purposes of Family Educational Rights and Privacy Act (FERPA), Agency will be considered a University official with a legitimate educational reason to have access to limited personally identifiable information from Student records. University agrees to provide authorized representatives of Agency limited

personally identifiable information about Student that is reasonably necessary for participation in the internship. No other information from Student's education record will be provided unless Agency provides a written consent from the Student to the release of such information, and/or Agency otherwise establishes to University's satisfaction that the need for such information is related to the educational internship experience or the release of such information is in compliance with FERPA. Agency agrees that it will not further disclose personally identifiable information about any Student that it receives from University pursuant to this Agreement, unless the Student consents in writing to such disclosure or unless Agency can otherwise legally disclose the information under FERPA. In consideration for the personally identifiable information, Agency expressly warrants and represents that it will not use the Student information provided by the University for any purpose other than to comply with the terms of its Agreement with University.

1.5 **Non-Discrimination.** In compliance with federal law and University policy, including but not limited to the provisions of Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Age Discrimination in Employment Act of 1967 and 1975 and the Americans with Disabilities Act of 1990, ADA Amendments Act of 2008, and Title VI of the Civil Rights Act of 1964, each party hereto will not discriminate on the basis of race, sex, religion, color, national or ethnic origin, age, disability, military service, veteran status, sexual orientation, or any other class protected by law or regulation in either the selection of Students for participation in the program or as to any aspect of the educational training program; provided, however, that with respect to disability, the disability must not be such as would, even with reasonable accommodation, in and of itself, preclude the Student's effective participation in the program.

1.6 **Cooperation in Investigating Claims.** The parties agree to notify each other as soon as possible in writing of any incident, occurrence, or claim arising out of or in connection with this Agreement which could result in liability or claim of liability to the other party. Further, Agency and University shall have the right to investigate any incident or occurrence and the parties shall cooperate with one another in the conduct of such investigation.

## 2. Responsibilities of the University:

2.1 **Student Eligibility.** To be responsible, in coordination with Agency, for the assignment of Students and the planning of the program. - 2.4 **Student Evaluation.** To establish the student's learning objectives and criteria for evaluating the quality of Student performance in the program.
- 2.5 **Require Students to Adhere to Agency Rules/Policies/Laws.** To inform Students that they will be expected to comply with the applicable policies, procedures, rules, and regulations of Agency and University, including, but not limited to, the use of personal protective equipment, the rules of client confidentiality, and the procedures relating to record documentation. University agrees to advise all participating Students of the importance of complying with all relevant state and federal confidentiality laws, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and amendments thereto, and agrees to have Students sign a Confidentiality and Non-Disclosure Statement emphasizing their responsibility to maintain patient confidentiality. University will advise Students and faculty of the importance of complying with Agency's policies and procedures, including those relating to HIPAA. University agrees to report to Agency any unauthorized use or disclosure of protected health information obtained from access to clients or records of Agency that it becomes aware of.
- 2.6 **Student Use of Client Information.** To inform Students and University faculty that they must not submit for publication any material relating to the field education experience without prior written approval of University and Agency. University and Agency acknowledge that Students and faculty may use clients' information for educational purposes at Agency and at University, provided such information is appropriately de-identified (per HIPAA guidelines) so as to remove all data that may be used to connect such information back to the client to whom it relates, or provided Agency otherwise gives written permission.
- 2.7 **Background Verifications.** To require that Students, prior to coming to Agency, have a background screen conducted by the Alabama Department of Human Resources, or a comparable state and/or federal screening service. School and/or Student shall provide a copy of the completed background check to Agency upon request prior to the commencement of any clinical experience in the Agency. The Agency reserves the right to allow students to participate in clinical based on background screen results.

2.9 **Withdrawal of Students** To withdraw a Student whose progress, conduct, or work does not meet the standards of its program. Final academic action regarding the Student is the responsibility of University.

### 3. Responsibilities of the Agency

3.1 **Supervised Experience.** To provide Students accepted into this program access to a planned, supervised program of field experiences.

3.2 **Staff Supervision.** To provide designated staff members to facilitate Students' field experiences. Specifically, Agency shall provide an experienced field instructor(s) for Student who shall have responsibility for the field-related educational program of Student, including delivery and evaluation of the educational program.

3.3 **Access to Field Training and Facilities.** To make available field areas for Student training, including necessary and appropriate supplies for administering training; adequate space and facilities for field instruction; a reasonable amount of storage space for apparel and personal effects of participating Students and faculty; faculty/Student access to the Agency dining facilities at the faculty/Students' own expense, and, in general, to provide an environment that will permit Students participating in the program to gain field experience.

3.4 **Appropriate Staffing Levels.** To maintain a sufficient number of support staff to carry out normal service functions, so Students will not be performing in lieu of staff.

3.5 **No Patient-billing Activities by Students.** To ensure that activities of University Students shall be solely that of an educational nature and shall not result in any patient billing by Agency or its representatives.

3.6 **Accreditation Inspections.** To permit, upon reasonable request, University and/or agencies charged with the responsibility for accreditation of University's curriculum, to inspect its clinical facilities, the services available for the clinical experiences, and any other items pertaining to the program, solely for the purpose of University meeting accreditation requirements.

3.7 **Client Care.** To retain responsibility for client care and related duties at all times. The Agency will maintain administrative and professional supervision of University Students insofar as their presence affects the operation of the Agency's facilities and/or the direct and indirect care of clients. Agency agrees that it will provide sufficient and qualified supervisory personnel for the supervision of client care to the extent client care is impacted by any Student assignment.

3.8 **Orientation and HIPAA Training.** If Agency is covered by HIPAA, to provide University Students and faculty involved in the program with training/orientation including, but not limited to, personal protective equipment availability and use, fire and emergency response plans, and Agency's policies and procedures and applicable state and federal laws and regulations related to confidentiality of individually identifiable health information of Agency's clients, including HIPAA

Privacy and Security Standards. Agency agrees that Students and faculty are part of Agency's "workforce" as defined in the HIPAA privacy regulations, and Agency consequently agrees to provide Students and faculty placed with Agency with training regarding Agency's HIPAA policies and procedures. Education and training relating to these specific policies and procedures as well as any other Agency-specific policies and procedures deemed appropriate and necessary by University and/or Agency shall be provided by Agency to Students prior to their rotation at Agency.

3.9 **Emergency Medical Treatment.** To provide the same emergency health care or first aid to Students as that extended to Agency's employees for injury or illness while fulfilling activities of the Agency, but only at the expense of the Student. Agency assumes no responsibility, financial or otherwise, regardless of whether or not these services are covered by the Student's insurance.

3.10 **Removal of Students.** To immediately remove a Student from its premises for behavior that Agency deems to be an immediate threat or danger to Agency's clients, staff members, visitors, other Students, or to the quality of social work services or for unprofessional behavior, including, but not limited to, a breach of HIPAA Privacy or Security regulations or Agency's HIPAA policies or procedures or a breach of confidentiality of client information. In such an event, Agency shall notify University in writing of its actions and the reasons for its actions as soon as practicable.

3.11 **Withdrawal of Students.** To request University to withdraw or dismiss a Student from the program at Agency when his or her clinical performance is unsatisfactory to Agency or his or her behavior, in Agency's discretion, is disruptive or detrimental to Agency and/or its clients. The University agrees to immediately remove a student from assignment at the Agency upon Agency's request, after Agency reasonably has determined that such removal is of urgent necessity. Agency will discuss each particular situation with University's Program Coordinator, prior to requesting removal unless emergency circumstances preclude such discussion. Subject to the provisions of Subsection 3.10 above, it is understood that only the University can dismiss the Student from the program at Agency.
