****Points to Consider****

1. Be sure to correctly fill out the Category (volunteerism), Reason to Fingerprint (Internship), and Requesting Agency (The University of Alabama School of Social Work). Incorrectly answering these will cause a delay in your results.
2. You will receive a letter of suitability in the mail. **Scan and upload** this letter to your application in SWIS. It is **your** responsibility to get the materials completed, fingerprints made, fees paid, and all documents to the proper authorities.
3. Some agencies require a background check before they will accept an intern, and *it can take 6-8 weeks for background checks to be reviewed and cleared.* Given the potential two-month process, we advise that you begin as soon as possible.

If you have any further questions, please contact the Field Office at **jrbowen1@ua.edu**
