# Out-of-Home Placement

There will be occasions as a DHR worker when it will be necessary to place a child in an out-of-home placement.

1. Ask your supervisor (or co-worker chosen to assist you) to provide you an example of when it would be necessary to place a child in each of the following settings:
  - Residential Treatment Facility example:
  - Psychiatric Hospital example:
  - Foster Home or Therapeutic Foster Home example:
  - Other out-of-home placement example:
2. Ask your supervisor where the most frequently utilized out-of-home placements used by your agency are within your county for each setting and write down the names. Then go online and find the phone number for each location given by your supervisor.
