Case Study – Knowledge of Policy

Refer to the Child Welfare Competency Domains and the Case Study for Aaron and Amber located in the resource section of the SR Hub, and respond to the scenario listed below.

During the twelve months since Amber and Aaron have been in care (and subsequent placement of new baby following the birth), Ms. Mason initially made some progress. After six months, she began to relapse. She failed several drug tests, allowed Mr. Jones to return to the home, and was arrested for possession of a controlled substance. She continually tells worker of her desire to have her children but does not take the necessary steps to enable her to provide a safe and stable home for her children.

Discuss ASFA law (Adoptions and Safe Families Act) and the permanency time requirements. Review Termination of Parental Rights requirements and identify what grounds exist (or should) to file for termination.

I discussed the following with my supervisor regarding Knowledge of Policy:
