In Preparation for Completing the Application

- Read the NASW Code of Ethics.
- Request Transcripts from Other Institutions for UA Registrar.
- Review UA School of Social Work Toolkit information about practicum experiences.
- Consider how your social work classes and specific assignments have prepared you for 400-level coursework and a future as a social worker.
- Consider what populations or career areas might be more difficult for you as a social worker. Think about information gained in SW 100, SW 351, or your other social work classes.
